

## D-Sub Products Extensive Portfolio

### Factory Automation

Control Systems – Data Communications  
Robotics – Power Supplies

### Test & Measurement

Data Acquisition-Signal Analyzers  
Temperature Chambers, Humidity Chambers  
Plasma Etching – Batch Processing

### Energy Management

Energy meters – Building Automation  
Renewable Energy

## IP67 Ruggedized I/O RJ, D-sub, HDMI & All types USB

### Outdoor

Ag & Construction Equipment –  
Ruggedized tablets-laptops-Mobile radios & phones  
Solar arrays-Batteries-Controllers-HVAC-GPS devices

### Indoor Industrial

Sensors- Actuators-Valves-Hand Tool-Controls,  
Warehouse equipment (fork-lifts, Carousels,  
Packaging)

### Lighting

Horticultural-Architectural-Industrial  
Greenhouse

### HealthCare

Defibrillators-Portable Patient Monitors  
MRI Machines-Ultrasound Equipment-Robotic Surgery

### Military

Radios-Manpacks-Portable Electrical Equipment  
Ruggedized laptops & Tablets

## Industrial Ethernet Next Generation Connections

### Factory Automation

Actuators-Sensors-Controllers  
HMI's-Cameras-Data loggers-Robotics  
Industrial (Hubs, Routers-Switches)

**Commercial  
Industrial**

**Amphenol**
