HIGH PERFORMANCE ELECTRONIC SOLUTIONS

Since 1946, Powell Electronics has been the premier industry resource for all of your electronic components and value-added services. For over 75 years, we have brought a unique sense of purpose, expertise and vision into electronics distribution.

Powell Electronics is a value-added authorized distributor, which assures you of receiving all factory warranties and post-sales support with every order. We operate under the strictest quality control standards and have been successfully audited by UL to ISO 9001:2008 and AS9100 Rev. C Standards.

We understand the detriment counterfeit parts present to our clients and their projects and maintain a 100% counterfeit-free environment.

COMPLETE SUPPORT AND SERVICE

- Design and technical support
- Prototype to Production manufacturing
- Value added services and assembly
- Kitting and custom packaging
- Supply Chain security and bonded inventory
- Same day shipments from stock

MARKETS SERVED

- Military and Aerospace
- Space
- Oil and Gas/Energy
- Robotics
- Naval and Marine
- Off-Road and Agricultural Equipment
- Rail and Mass Transit
- Medical
- Test and Measurement

Get in touch

Powell has **14 sales office locations** across the United States and internationally to meet your needs anywhere in the world.
